

Summer School

GAME THEORY AND OPERATIONS RESEARCH

Lavagna - 8/20 September 2003

The second edition of the Summer School "Game Theory +" promoted by the Interuniversity Centre for Game Theory and its Applications (CITG) is devoted to Game Theory and Operations Research.

The main characteristics of the school are:

- * it is an annual event, for graduate students and post docs;
- * it has a distinguished multidisciplinary flavour;
- * it is application oriented.

The school will be held in Lavagna (near Genova) from 8 to 20 September 2003.

A maximum of 30 students will be admitted.

Applications have to be submitted not later than 30 April 2003.

The classes will be delivered by:

Jesus Mario Bilbao (Universidad de Sevilla), Laureano Escudero-Bueno (Universidad Miguel Hernandez de Elche), Ignacio Garcia-Jurado (Universidade de Santiago de Compostela), Herbert Hamers (Tilburg University), Stefano Moretti (University of Genova), Roberto Tadei (Polytechnic of Torino), Stef Tijs (University of Genova).
