

International Workshop: New Topics on Game Theory Seville, 1-2 April, 2009

Dear Colleagues,

We are happy to announce the workshop “New Topics in Game Theory” to be held in Seville, 1-2, April, 2009, and would like you to attend. The meeting will take place at the “Casa de la Provincia”, Plaza del Triunfo, in the heart of town centre, next to Seville Cathedral.

The principal aim of this meeting is to bring together some relevant international Game Theorists and to provide the environment for the exchange of ideas on new and classic topics on Game Theory.

The academic program will consist of a series of plenary sessions. The following speakers have confirmed their participation:

William Thomson (University of Rochester. New York, USA).

Gustavo Bergantiños (Universidad de Vigo. Vigo, España).

Carmen Herrero (Universidad de Alicante).

Francois Maniquet (Université Catholique de Louvain. Belgica).

José Manuel Zarzuelo (Universidad del País Vasco. Bilbao, España).

Isaac Meilijson (School of Mathematical Sciences. Tel Aviv, Israel).

Stef Tijs (CentER, Department of Operations Research. Tilburg University)

Bernhard von Stengel (London School of Economics. London, UK).

Jean-Jacques Herings (University of Maastricht).

Carles Rafels (Universidad de Barcelona).

There will also be poster sessions, towards which those attending are invited to contribute.
